

Senior

Moore Natural™ Senior is a specially designed formulation for the senior horse, providing additional protein and highly digestible fiber, along with essential vitamins and minerals to support optimal health.

This innovative platform of nutrition technologies is formulated for balance and support of horses in the later stage of their life.

WARNING:

This feed contains added Copper. Do not feed to sheep or other species susceptible to copper toxicity. Do not allow free-choice access to this feed.

FORMULATED WITH SAFE FORAGE TECHNOLOGY™, a natural forage-based source of digestible fiber

HIGHLY FORTIFIED WITH KER MICRO-MAX™ MICRONUTRIENTS; no need for additional supplementation

CONSTANT FORMULATION with the unvarying palatability horses desire

FORTIFIED WITH ORGANIC TRACE MINERALS for unsurpassed digestibility and performance

NATURAL-SOURCE VITAMIN E for greater bioavailability and superior antioxidant protection

PELLETED FORM, no sorting and wasting of ingredients

INCREASED CALCIUM AND DIGESTIBLE FIBER; research-proven requirements for senior horses
